Rev. Wm. Cross,

Roomhouse,

Illinois.

Dear Sir:

In answer to your letter asking me for advice with regard to coming into Canada, particularly in the neighborhood of British Columbia, I may say that I have no particular influence with the Methodist Church in Canada, so that I am unable to give you any other help than to suggest that you should write to Dr. Chown, General Superintendent of the Methodist Church, Vancouver, B.C. He may be able to assist you.

Yours sincerely,

President.
